The Paris Short Film Festival ran again in 2025 at the [Jérôme Seydoux-Pathé Fondation](#) and it will be a European hotspot for showcasing innovative cinema and new trends in short filmmaking. This year's PSFF looks forward to screening a broad range of genres by international directors, and bringing the best of fresh filmmaking to film-loving audiences.

The Paris Short Film Festival discovers, supports and develops new talent in filmmaking, providing a platform for emerging and established filmmakers from around the world. Recognizing the important role independent films have in the history of filmmaking, storytelling, and culture, PSFF wants to help empower the next generation of artists. The Paris Short Film Festival is an annual event showcasing independent films with an edge.

PSFF 2025 will run April 5th and 6th at the [Jérôme Seydoux-Pathé Fondation](#).
